## BUDDHISTS IN CEYLON LOOT MOSLEM SHOPS

### RIOTING IN WHICH NUMEROUS MURDERS ARE COMMITTED IS REPORTED

London, June 9.—That there has been a riotous outbreak in Ceylon by Buddhists against the Moslems, in which numerous Moslem shops were looted and many murders occurred, is told in an official communication made public here last night. The official statement says: "The governor of Ceylon reports that on May 23, the birthday of Buddha, Moslem shops in Kandy were looted by Buddhists. The outbreak was quelled in Kandy, but was diffused through the central province, where it was repressed by the arrival of a military detachment. "On May 31 there was a later outbreak at Colombo, which subsequently spread south. Martial law has been proclaimed in the western, central, southern, northwestern and Sabara Gamuwa provinces. "On June 3, the governor left Kandy quietly and proceeded to Colombo, where he found the town quiet, but the district perturbed. He hoped to suppress the disorder in a few days. "The disorder is due to a sudden outbreak of racial and commercial animosity and is not directed against the European population or the Colonial government. Much Moslem merchandise has been destroyed. There have been numerous murders and several rioters were shot. "The latest telegrams state that the situation is in hand and improving."

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh is a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Catarrh Cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case that fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. ## LINED WOMEN AND MEN UP ON HIGHWAY

BOLD HIGHWAYMEN ROB ALL IN THE FIELD

Pemeta, Okla., June 2.—Three masked highwaymen did a land office business over in Eastern Payne county, several days ago, in the neighborhood of a road house that has been running in that locality for some time. All travelers, whether male or female, and whether afoot, horseback or in autos, were stopped and made to hold their hands toward the skies while one of the trio went through them for their money and other valuables. It is estimated that the robbers got \$75 in money besides a bunch of diamonds, watches and other jewelry.

As fast as the persons were stopped and robbed, they were then made to lie in the grass by the roadside and keep still while the robbers waited for other victims. At one time there were ten men and one woman by the roadside, and they were compelled to keep quiet while the robbers "frisked" four men in an automobile. The woman lost two diamond rings. One man was made to remove shoes and in one of them the robbers found a diamond band.

This program was continued until two automobiles came in sight at once. Evidently there were too many passengers for the robbers to watch at one time together with the victims by the roadside, and accordingly they took to the brush, no doubt well satisfied with the day's haul. When they went to the brush, the victims by the roadside made a getaway also. It is understood that the Payne county authorities have been notified.

## Star Pitcher and Manager of the Phillies

When Pat Moran, former catcher of the Chicago Cubs, took the management of the Phillies of the National League from Charley Doolan, there were predictions that he would be able to accomplish little. Then when his star players began to melt away to the Federal League, fans who didn't like the change were certain he would do nothing this season. But Moran has surprised them. He kept his club in the lead of the league for several weeks and is now neck and neck with the Cubs.

But he wouldn't have done that without the help of "Alexander the Great." Grover Cleveland Alexander, believed to be the first pitcher in baseball today. Alexander is a democrat, as his name implies, and a Nebraskan. He is six feet tall, 175 pounds in weight and twenty-seven years old.
